

# My music review

## 1. Lernziele

- Du kannst eine Music Review für andere Teenager schreiben.
- Du kannst Schreibstrategien selbständig einsetzen (z.B. Übersetzungsmaschinen gezielt nutzen, Text überarbeiten, ...).

## 2. Your music review

**Write your own music review about a song, an album, a band, a singer or an instrumental piece of music.**

Your music review should include the following points:

- Title/name of the album/song and of the singer/band
- Style of music
- Explain what is special about the album or song concerning instruments, rhythm/melody and lyrics. You can also add your own aspect.
- Who would you recommend (=empfehlen) the song to? Give reasons for your recommendation.

### 3. Plan your music review

**Make notes of what you want to write in your music review.**

Name/title: .....

Style:

.....  
.....

Aspects of music (instruments/rhythm/lyrics/...):

.....  
.....  
.....

What I like and why I would recommend the song/singer/band:

### 4. Write your music review

**Schreibe einen ersten Entwurf deiner Music Review. Nutze den Entscheidungsbaum und die Strategien!**

## 5. Peer Feedback

**Display your music review on your desk. Walk around the classroom and read some of your classmates' reviews.**

Tick ( ✓ ) three comments you agree with.

I think the language is well chosen for teenagers.								
I don't know the song, but I would like to listen to it.								
Great interpretation of the lyrics.								
I like the way you describe the tune/lyrics/singer.								
I understand why you love this song.								
I can see why you think the beat is cool.								

**Write a comment in English or German about what has been done especially well and what could still be improved (task fulfillment, text structure, language).**
